

Unusual scheduling of CCC matches has meant that our Representative team played 2 matches in the first week of May, and the next is today (28th June) v British Police CC at Camberley CC.

This year our 3 day match v Essex CCC 2nd XI started on Bank Holiday Monday, 7th May. For the 3rd consecutive year we took the match to the last session on the 3rd day, but were beaten by 158 runs. The Essex batsman dominated the match, with centuries from Callum Taylor in their 1st innings, and one from Michael Pepper in their 2nd. CCC effectively lost the match in their first innings ; scoring only 128. 60's from Ben Compton (Richmond CC) and Alan Jones (Shenfield CC) added some respectability to our 2nd innings, but excellent left arm spin bowling from Aaron Nijjar (5/50) meant a comfortable victory for Essex.

There was no rest for some of the CCC players as we went straight into a 50/50 overs match v Hampshire CCC 2nd XI on Thursday 10th May.
3 wickets each for David Burton (Richmond CC) and Jasdev Bassan (Bexley CC) meant Hampshire required an 10th wicket partnership of 42, to reach 192 all out. Despite a good start from CCC, wickets fell too regularly after 122/5, and we were all out for 172. Reece Topley, returning after injury, took 3 of those wickets. - full scorecard here: <http://ccc-repxi.play-cricket.com/website/results/3670386>

Our Women's team travelled all the way to Larkhill, near Salisbury, only for there to be no play in their match v The Army Women's XI, due to rain.
